

LETTER OF GIFT

Vehicle Transfer · Province of Saskatchewan

Saskatchewan has no numbered gift form. Per SGI and Saskatchewan Bulletin PST-78, the donor must give the recipient a letter stating their relationship, and whether it is a gift or a low-value transaction.

REQUIRED: THE TWO STATEMENTS BULLETIN PST-78 ASKS FOR

These two lines are the only contents the bulletin requires.

1. OUR RELATIONSHIP (for example: parent and child, siblings, spouses)

2. THIS TRANSFER IS (write "a gift", or describe the low-value transaction)

PRACTICAL IDENTIFICATION (NOT REQUIRED BY THE BULLETIN)

The bulletin does not require the details below. They are here so the letter identifies the vehicle and the people involved, which is what an office is likely to ask about.

DONOR FULL LEGAL NAME (the person giving the vehicle)

RECIPIENT FULL LEGAL NAME (the person receiving it)

VIN (17 characters)

LICENCE PLATE (if any)

A signature is not required by the bulletin either. Both parties commonly sign so each holds a dated copy.
